

The Direct Express® Card: Safer than a Bank Account for your Federal Benefits, such as Social Security or SSI Benefits

What is Direct Express®?

The Direct Express® card is a new debit card you can use to get and spend your Social Security, Supplemental Security Income (SSI), Veterans Affairs (VA), Railroad Retirement or federal pension (OPM) benefits. You don't need a bank account. With the Direct Express® card, your benefits are deposited directly onto your card in full, on time, every month. You can use the card to make purchases, pay bills or get cash at thousands of locations. And most transactions are free.

Why should I sign up for Direct Express®?

The Direct Express® card is safer and more convenient than paper checks or electronic bank deposits. Anyone receiving Social Security, SSI, VA, Railroad Retirement or OPM benefits can enroll. No more waiting for the mail, fretting about lost or stolen checks, or worrying about bank account garnishments. There is no credit check and no minimum balance.

How do I use the card?

You can use the card to make purchases, pay bills or get cash at thousands of locations. It can be used anywhere that accepts MasterCard debit cards.
